Israel challenge

employability skills challenge in Israel

ORT UK are seeking 10 British Year 12 students to join us for a brand-new 'apprentice style' employability skills challenge taking place in Israel this July.

Join Israeli & Brazilian students from the **World ORT** Network as part of an immersive experience like no other; learning and developing new skills as we explore the dynamic world of work.

Working in teams throughout, you will have the opportunity to create and present a solution to real life barriers that currently exist within the Health & Emergency Services sector.

Each day will comprise of meeting industry experts who will share practical tips and advice as well as taking you through a range of activities to develop hands on skills such as; **entrepreneurship, critical thinking, market research, design thinking, and much more.**

The conclusion of the trip will see each team present their concept to our teams of experts & guest judges.

UK in person 6th July 2023
Israel trip 9th – 15th July 2023

£349 per student

Thanks to the generosity of **ORT UK** donors we able to offer places on the programme that have been heavily subsidised.

Additionally, YOU will be the stars and creators of this year's **ORT UK** Campaign film – taking a lead role in documenting your experience, with footage collated as part of the ORT UK Annual Dinner 2023 Fundraising campaign film!

Please ensure all student applications are completed & submitted by Friday 19th May

apply here ortuk.org
